About the College: The College is “Govt. General Degree College, Lalgargh” under Higher Education Department, Govt. of West Bengal. The landmark of the Institution is at Lalgargh which is under Binpur-I community Development Block of Jhargram District in West Bengal. The starting year of the College is 2014 but the Science subjects have been introduced here in the year 2016 with general courses like Botany, Zoology and Physiology affiliated by Vidyasagar University. The dominant sal forest and Kansai River make the beauty of the area. Dry deciduous sal forest is abundant which is first time recorded Royal Bengal Tiger. Elephants are found in the jungle. Beautiful butterflies, birds, insects and reptiles available here with various plants which may be the centre of attraction of many enthusiastic persons as tourists or as researcher. The College is 40 Km away from Midnapore district town and 35 Km from Jhargram district town. Nearby Kharagpur and Jhargram railway stations are under South Eastern Railway. Many express trains run every day between Howrah and Tatanagar or Howrah and Balasore of Odisha. Similarly bus services from Kolkata to Midnapore and Jhargram are available. To stay, appropriate place is Midnapore. Round the day many buses run between Midnapore district town and Lalgargh via Bhadutala. It will take 1:15 hour journey by express bus.
